Mr. SANFORD changed his vote from "nay" to "yea."

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF SENATE AMENDMENTS TO H.R. 3547, SPACE LAUNCH LIABILITY INDEMNIFICATION EXTENSION ACT; PROVIDING FOR PROCEEDINGS DURING THE PERIOD FROM JANUARY 17, 2014, THROUGH JANUARY 24, 2014; AND FOR OTHER PURPOSES

Mr. COLE, from the Committee on Rules, submitted a privileged report (Rept. No. 113-327) on the resolution (H. Res. 458) providing for consideration of the Senate amendments to the bill (H.R. 3547) to extend the application of certain space launch liability provisions through 2014; providing for proceedings during the period from January 17, 2014, through January 24, 2014; and for other purposes, which was re-

ferred to the House Calendar and ordered to be printed.

SERVING THOSE WHO SERVED IN UNIFORM

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, as a father of a Purple Heart wounded warrior and father-in-law of a recently discharged soldier, my promise is to serve and advocate for those who serve this country. Our troops have earned our support not just during their service, but after they return to civilian life.

I am proud to support the COLAs for medically retired Armed Forces personnel and survivors, particularly doing away with the 1 percent reduction that has been put in place. This will be considered in the House later this week under the Consolidated Appropriations Act for fiscal year 2014.

Also included in this legislation is a 1 percent pay raise for our troops, as well as funding and guidance for the Department of Defense to support our warfighters overseas and our military and humanitarian missions around the globe.

Our military must remain strong to enforce the peace, and the soldiers, airmen, sailors, and marines that make this happen must always be the best trained and equipped force in the world.

Mr. Speaker, let's continue to serve those who serve in uniform. Our American heroes deserve as much.

COMPREHENSIVE IMMIGRATION REFORM

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, somewhere in America a young child will not be able to see their immigrant parents come home this evening. In every State in the Union, there are individuals that are undocumented that simply want an opportunity to work and dream here in America.

I am in the midst of a 1-day fast to encourage the passage of reasonable, sensible, comprehensive immigration reform. Yesterday, 119 Houstonians stood with me to commit to fasting until this bill of comprehensive immigration reform is passed: border security; earned access to citizenship; elements of paying fines; elements of doing charitable work; ensuring that the arts and businesses come together and have the resources and talent that they need; and creating jobs.

In Texas, there are 400,000 immigrants with some billion-plus dollars. Removing that would have a terrible impact on the economy. Passing comprehensive immigration reform is not only economically sound, but it is the
